Although we do not have the SMS Template screen ready, the screen will look just like the "Email Templates" screen. I will provide you with more details after requested changes have been made.

Menu Changes - System Settings - Notifications

The image shows a user interface for system settings. On the left is a vertical sidebar with several menu items, each with a red 'X' over its icon: 'Profile', 'Set Calculation', 'Email Template', and 'Request'. The 'System Settings' item at the bottom is highlighted in purple. To the right of the sidebar is a list of menu items under 'Communications Center': 'Email Templates', 'SMS Templates', 'Notifications', 'Salutations', 'Contact Types', 'Line Of Business', and 'Assignment TypeS'. A purple arrow points from the 'Notifications' menu item to a pop-up window titled 'System Settings | Notifications'. The pop-up window has a close button (orange 'X') in the top right corner. Inside the window, there is a purple header 'Notification Setting' and three toggle switches: 'Notification', 'Email', and 'SMS'. Each toggle switch has a red 'X' over its checkbox. A purple arrow points from a text box at the top to the pop-up window. Another text box at the bottom has three purple arrows pointing to the 'Notification', 'Email', and 'SMS' toggle switches.

Pop up window appears when user clicks on "Notifications" menu link

Notification Email SMS

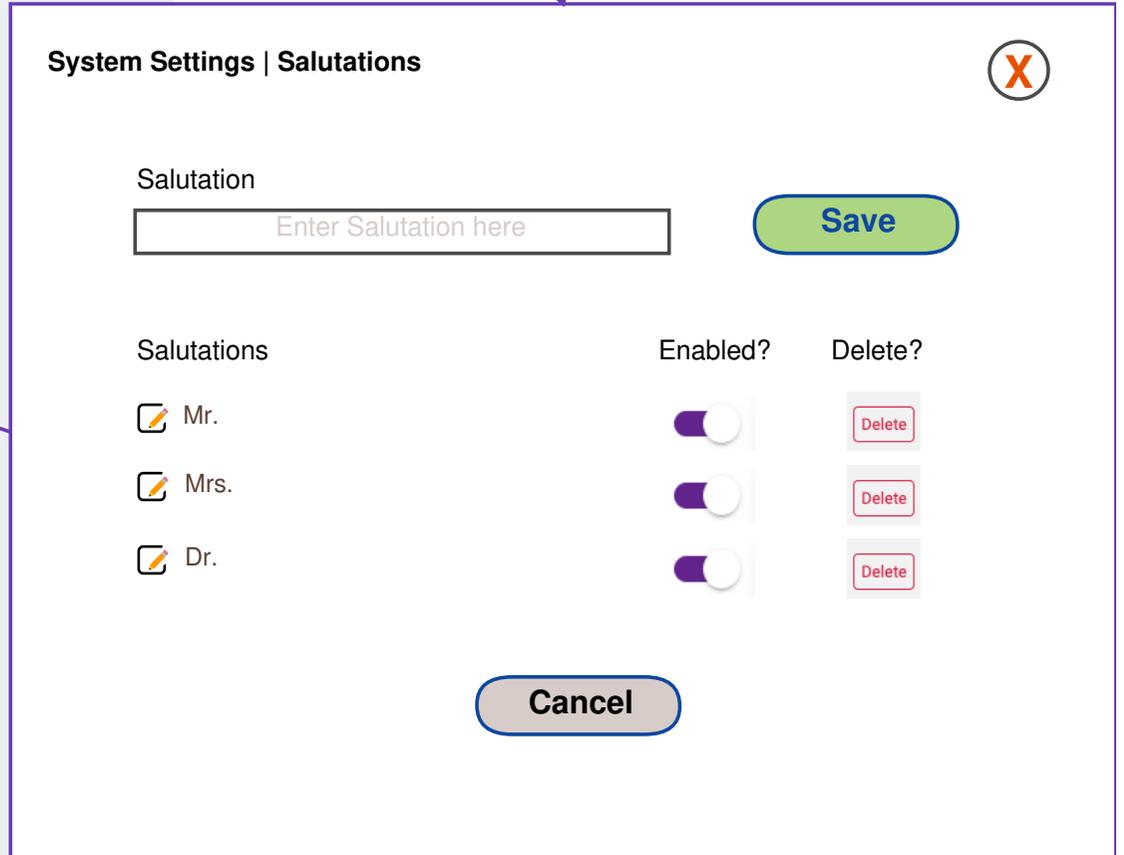

Remove the Checkboxes before each type of Notification. Also, what is this for? How is it used in the system?

Menu Changes - System Settings - Salutations

Pop up window appears when user clicks on "Salutations" menu link. When user Clicks the "Save" button, the **Salutation** text appears below "Enabled." The height of the window must allow at least 20 entries to be seeing. And scrollable to next 20 records.

The image shows a vertical navigation menu for System Settings. The menu items are: Communications Center (with a dropdown arrow), Email Templates, SMS Templates, Notifications, Salutations (highlighted with a purple arrow), Contact Types, Line Of Business, and Assignment Type^S. The bottom of the menu is a dark purple bar with a gear icon and the text "System Settings".

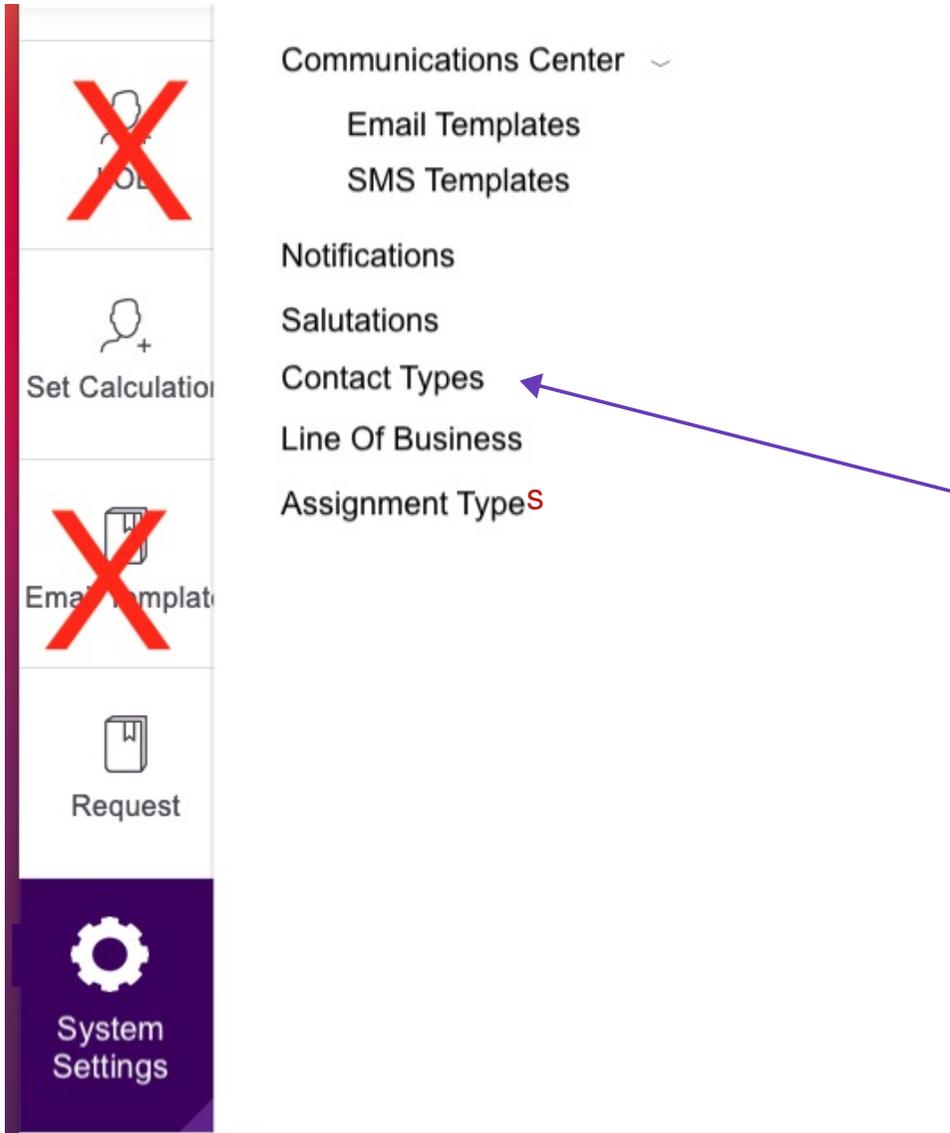

The image shows a pop-up window titled "System Settings | Salutations" with a close button (X) in the top right corner. The window contains a form for adding a new salutation and a table of existing salutations.

Salutation

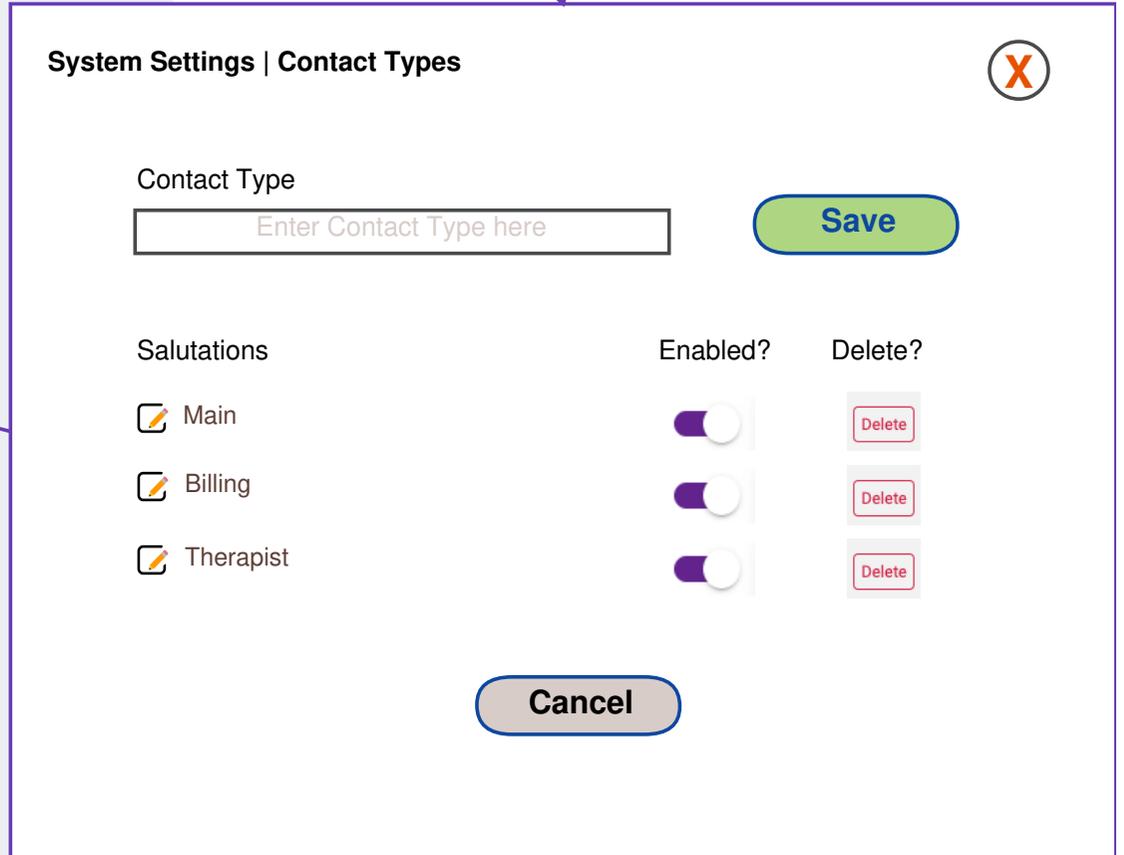

Salutations	Enabled?	Delete?
<input type="checkbox"/> Mr.	<input checked="" type="checkbox"/>	<input type="button" value="Delete"/>
<input type="checkbox"/> Mrs.	<input checked="" type="checkbox"/>	<input type="button" value="Delete"/>
<input type="checkbox"/> Dr.	<input checked="" type="checkbox"/>	<input type="button" value="Delete"/>

Menu Changes - System Settings - Contact Types

Pop up window appears when user clicks on "Contact Types" menu link. When user Clicks the "Save" button, the **Contact Type** text appears below "Enabled." The height of the window must allow at least 20 entries to be seeing. And scrollable to next 20 records.

The image shows a vertical navigation menu for System Settings. The menu items are: Communications Center (with a dropdown arrow), Email Templates, SMS Templates, Notifications, Salutations, Contact Types (highlighted with a purple arrow), Line Of Business, and Assignment Type^S. Below these are icons for 'Set Calculation', 'Email Template', and 'Request'. At the bottom is a dark purple button with a gear icon labeled 'System Settings'. Several menu items have a large red 'X' over them, indicating they are disabled or unavailable.

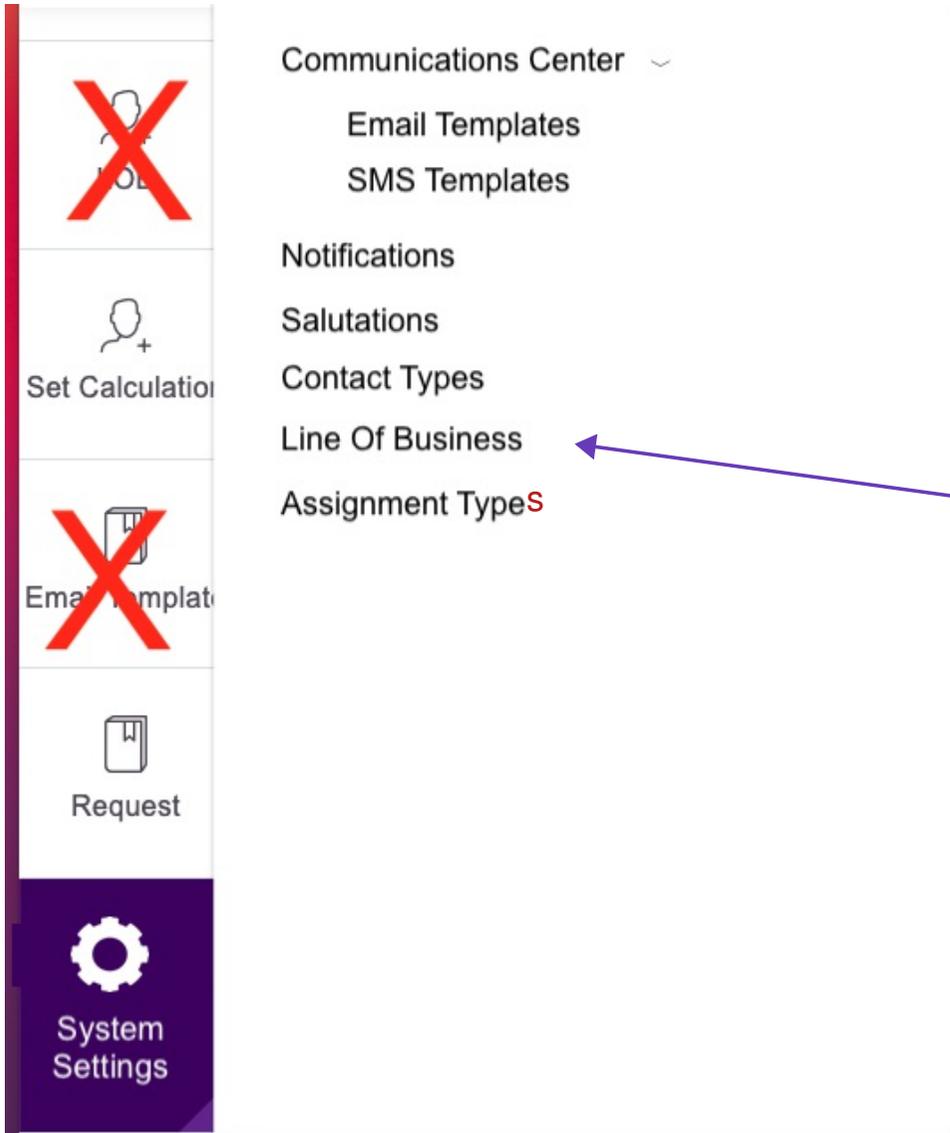

The image shows a pop-up window titled "System Settings | Contact Types" with a close button (red X) in the top right corner. The window contains a form for adding a new contact type. At the top, there is a text input field labeled "Contact Type" with the placeholder text "Enter Contact Type here" and a green "Save" button. Below this is a table with three columns: "Salutations", "Enabled?", and "Delete?". The table lists three salutations: "Main", "Billing", and "Therapist". Each row has a toggle switch for "Enabled?" and a "Delete" button. At the bottom of the window is a grey "Cancel" button.

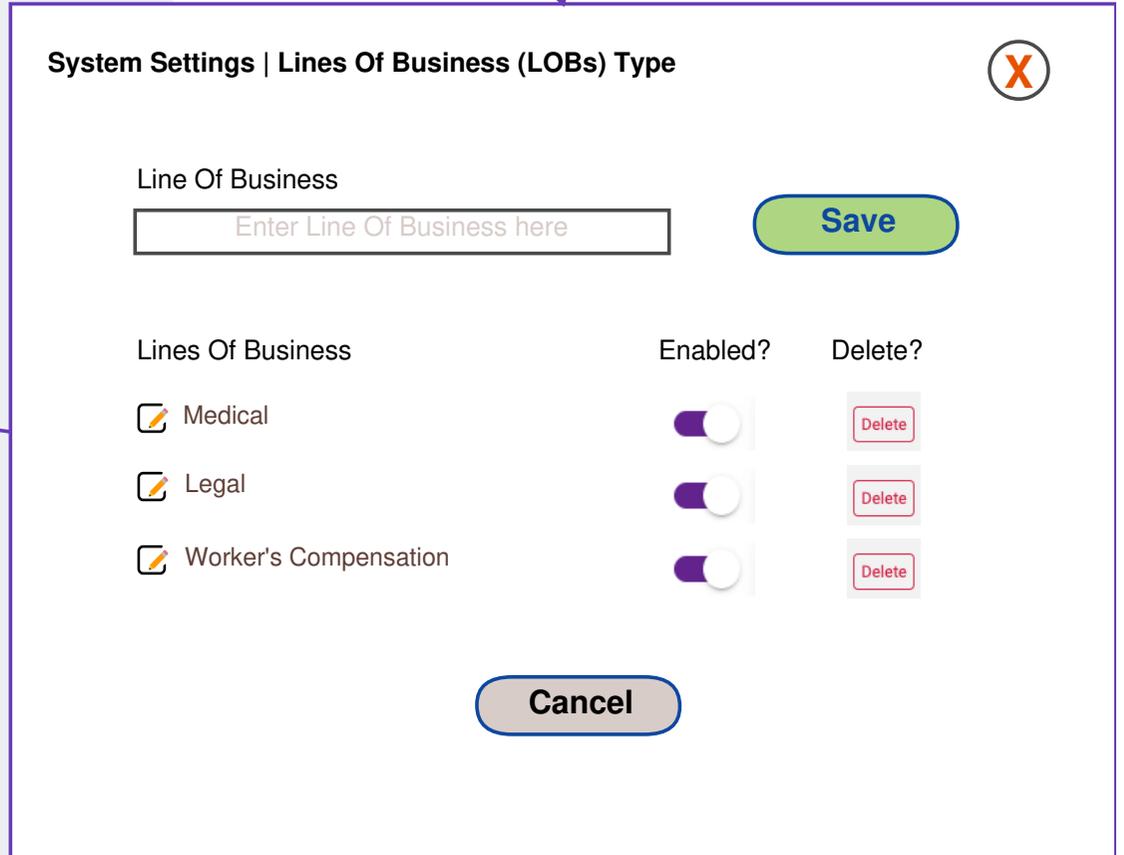

Salutations	Enabled?	Delete?
<input type="checkbox"/> Main	<input type="checkbox"/>	<input type="button" value="Delete"/>
<input type="checkbox"/> Billing	<input type="checkbox"/>	<input type="button" value="Delete"/>
<input type="checkbox"/> Therapist	<input type="checkbox"/>	<input type="button" value="Delete"/>

Menu Changes - System Settings - Line Of Business

Pop up window appears when user clicks on "Line of Business" menu link. When user Clicks the "Save" button, the **Line Of Business** text appears below "Enabled." The height of the window must allow at least 20 entries to be seeing. And scrollable to next 20 records.

The screenshot shows the 'System Settings' menu on the left side of the interface. The menu items are: Communications Center (with a dropdown arrow), Email Templates, SMS Templates, Notifications, Salutations, Contact Types, Line Of Business (highlighted with a purple arrow), and Assignment Type^S. The 'System Settings' icon is at the bottom of the menu.

The pop-up window is titled 'System Settings | Lines Of Business (LOBs) Type' and has a close button (X) in the top right corner. It contains the following elements:

- A text input field labeled 'Line Of Business' with the placeholder text 'Enter Line Of Business here' and a green 'Save' button to its right.
- A table with three columns: 'Lines Of Business', 'Enabled?', and 'Delete?'. The table lists three entries: Medical, Legal, and Worker's Compensation. Each entry has a toggle switch in the 'Enabled?' column and a 'Delete' button in the 'Delete?' column.
- A blue 'Cancel' button at the bottom center.

Lines Of Business	Enabled?	Delete?
Medical	<input type="checkbox"/>	Delete
Legal	<input type="checkbox"/>	Delete
Worker's Compensation	<input type="checkbox"/>	Delete
